As always, Joy promises an outstanding tour on Thursday for all guests and spouses. This will be an all day adventure to help you become acquainted with the Boise area. Look for more information as soon as available.

Boise has a large Basque community and we will have the opportunity to experience that culture on Friday evening. The dinner will be catered by the Basque Market, which is located across the street from the hotel. They will be cooking Paellas with live demonstrations. The dinner is optional and promises to be one of the best we have experienced. There will literally be "dancing in the streets" as our dinner will be served in the street which will be blocked off just for our party! It will be a casual evening, so come prepared to be comfortable!
