Baton Rouge, LA 70803

Dear Chancellor Alexander,

At its July 2014 Annual Meeting, the American Council for Construction Education (ACCE) Board of Trustees reviewed the extension request of accreditation of the Construction Management Program at Louisiana State University. The Board had available to it the reports of its original Visiting Team under the Chairmanship of Dr. Sean Foley, the special evaluation visit by Professor Desmond Fletcher, and its Accreditation Committee under the Chairmanship of Dr. John Schaufelberger. This letter is to inform you that the Board has voted for a three-year extension of your accreditation accreditation from July 2014 through July 2017.

A renewal of accreditation visit at the end of this period should be scheduled between February 1 and April 1, 2017. The self-evaluation study, in preparation for this visit, will be due in the ACCE national office no later than November 1, 2016.

The Board's comments are summarized below:

The Board of Trustees supports the extension of the accreditation of the Program at Louisiana State University for three years. The Program is to be congratulated for resolving all of the Weaknesses and Concerns that caused the three-year accreditation.

The ACCE Board of Trustees extends congratulations on this accreditation, and asks that I express its appreciation for the many courtesies extended to our Visiting Team and for the positive way in which your faculty and staff responded throughout.

We wish you continued success with your Construction Management Program, and feel confident that your graduates, the building community, and the Nation are richer for your efforts.

Warmest regards,
American Council for Construction Education
